## DID YOU KNOW?

\$25,000- Annual cost to incarcerate one individual.  
20,000- Individuals released annually from prison.  
71%- Businesses not willing to hire ex-offenders.  
37%- Recidivism rate within three years of release.  
19%- Incarceration rate of children who's parents were incarcerated.

**1- It only takes *one* business to give *one* individual a chance.**

Probability of Returning to Prison:  
Employed vs. Unemployed (%)

## Hoosier Initiative for Re-Entry Program Selection

Individuals accepted in the Hoosier Initiative for Re-Entry program are carefully selected and must meet the specific qualifications. Candidates will also receive in depth training to ensure a successful transition and motivated attitude towards their working environment.

**Participation requirement: Participant must have an updated resume on [IndianaCareerConnect.com](http://IndianaCareerConnect.com)**

## Program Curriculum

### HIRE Academy:

- Application/Resume/Interview Skills
- Successful Work Habits
- Community Re-Integration/Resources
- Conflict Resolution
- Financial Literacy
- Assessments
