### Graduation Event for Project Rebuild Families

Tuesday, August 12, 2014 | 1:50 pm

Written by Indiana 105

In Gary tonight, a graduation event is taking place for thirteen families who have successfully completed Project Rebuild's truancy intervention and prevention program. The festivities, being held at the Gary Police Department, will include testimonials from parents and students. Gary Mayor Karen Freeman-Wilson and Lake County Juvenile Court Judge Thomas Stefaniak are among those scheduled to attend. Project Rebuild is a collaborative effort by Gary City Court, Gary Police, Lake County Prosecutor's Office and Indiana Parenting Institute to address the issue of truancy in the city.
